**Subject:** APCA's Support to Hajvairy Group

Dear Mr. Awan:

It gives me great pleasure to issue this letter on behalf of the "All Pakistan Contractors Association" to "Hajvairy Group".

We understand that "Hajvairy Group" is bidding on a project for the "Afghan National Army", and the project site is in Khowst, Afghanistan.

Hajvairy Group's construction wing was established over thirty years ago. The team of engineering and related staff at the disposal of Hajvairy Group is extremely qualified and professional. Hajvairy Group has completed a large number of construction projects, which would be considered very challenging by the largest construction firm within Pakistan.

Hajvairy Group is well respected amongst members of the All Pakistan Contractors Association. The wide range and diverse concerns of Hajvairy Group assist in the implementation of the construction wing projects. Hajvairy Group has an extensive Logistics cell which handles national as well as international transport of goods. Their Procurement, Inventory Management Control, and Management Information Systems Department are well established and efficient. In fact when any member of the Contractors Association require assistance in any of the areas, they contact Hajvairy's expertise.

## All Pakistan Contractors Association
